The petitioners are working as Pump Operators attached to the Medical College Hospital, Alappuzha. According to them, they have been doing the work for a pretty long period. Apprehending termination of their services this writ petition has been filed. One of the prayers made in the writ petition is for a direction to absorb the petitioners into regular service by sanctioning the post of Pump Operators in the Medical College Hospital, Alappuzha.

2. Now the petitioners have filed Ext. P4 representation before the Secretary to Government, Department of Health, bringing to the notice of the said respondent the claim of the petitioners and requesting to allow them to continue as Pump Operators.

3. Having heard counsel for the petitioners and Govt. Pleader for the respondents, I am inclined to dispose of the writ petition directing the 1st respondent to consider the request of the petitioners made as per Ext. P4 and take appropriate decision as

early as possible. Ordered accordingly. Time for compliance is two months on the petitioner producing a copy of the judgment along with a copy of the writ petition. Order passed on Ext. P4 shall be communicated to the petitioners immediately.
